Homeowner Manual

A. General Information

The Kentucky FAIR Plan and Reinsurance Association (FAIR Plan) is composed of all insurance companies authorized to write property and casualty insurance in Kentucky. It is authorized by and operates pursuant to KRS Chapter 304 Subtitle 35 with the approval of the Executive Director of Insurance. It is designed to provide basic property insurance for worthy applicants who are unable to secure coverage in the voluntary market. Every resident producer licensed to write property insurance in Kentucky is authorized to submit applications to the FAIR Plan even though no contractual relationship exists with the producer. This manual provides the rules and rates for the producer. The actions of a producer under this and all other sections of this Plan are deemed to be the actions of the applicant and are not the actions of the Plan. Insofar as the producer is acting as an agent of any party in connection with actions under this or any other section of the Plan, the producer shall be deemed to be the agent of the applicant and not the agent of the FAIR Plan.

B. Underwriting Guidelines for Denial, Cancellation and Non-Renewal

Denial, cancellation, or non-renewal of any applicant/insured must be authorized by the Underwriting Department. The Underwriting Department shall have authority to deny, cancel, or non-renew any application or policy based on grounds in the reasonable discretion of the Underwriting Department, including, but not limited to, the existence of any one or more of the following conditions:

1. Anticipated owner or occupant incendiarism;
2. At least 65% of the rental units in the building are unoccupied, and the insured has not obtained prior approval from the Underwriting Department of a rehabilitation plan which necessitates a high degree of unoccupancy;
3. Property damage exists and more than 60 days have elapsed as to indicate that the damage will not be promptly repaired;
4. Following a loss, permanent repairs following satisfactory adjustment of loss have not commenced within 60 days;
5. Property has been apparently abandoned or there has been removal of undamaged salvageable items from the building and the insured can give no reasonable explanation for such removal;
6. Utilities such as electric, gas, or water services have been disconnected and, if for non-payment of service bills, the insured has failed to pay his account for such services within 60 days, or real estate taxes have not been paid for a two-year period after the taxes have become delinquent (real estate taxes shall not be deemed to be delinquent for this purpose even if they are due and constitute a lien, so long as a grace period remains under local law during which such taxes may be paid without penalty);

7. Conviction or unresolved indictment of a named insured or loss payee, or any other person having a financial interest in the property, of the crime of arson or crime involving a purpose to defraud an insurance company;
8. Where the building or the named insured has been subject to two or more fires, each loss amounting to at least \$500 or one percent of the insurance in force, whichever is greater, in any 12-month period; or three (3) such fires in any 24-month period, at the discretion of the underwriter.
9. Material misrepresentation
10. Non-payment of additional initial or increased hazard premium; or
11. Failure of the insured or his/her agent to timely furnish when due additional primary or supplemental underwriting information requested by the facility.
12. Other conditions proposed by the Underwriting Department and adopted by resolution by the Underwriting Committee as established herein.
13. After a policy has been in effect for more than 60 days, there shall be no cancellation or refusal to renew the policy without a 30-day written notice to the insured, except that a written notice of not less than five days before the effective date of cancellation or non-renewal may be used if one or more of the specific conditions set out in Section B (1-12), above, is present.
14. Each notice of cancellation or non-renewal shall contain a statement of the reason therefor. It shall be sent to the insured at the last known address with copies sent to the mortgagee, if any, and the insured's Producer.
15. Any denial, cancellation, or non-renewal notice to the insured shall be accompanied by a statement that the insured has a right of appeal.
16. The Underwriting Department shall reinstate, without lapse in coverage or additional charge, any policy cancelled solely because of non-payment of additional initial or increased hazard premium, if and when full and complete payment of all premiums due are received before the termination date contained in the notice of denial, cancellation or non-renewal. Such reinstatement of coverage is conditioned upon any check tendered for premium payment being honored when presented for payment.
17. Non-payment of any renewal premium shall result in lapse of the policy as of the renewal date and only a notice of such lapse shall be sent to the insured within 15 days following the lapse in coverage.
18. No coverage will be effective if the financial institution dishonors the insured's premium remittance, which accompanies the application.

C. General Rules

1. Applications:

All submissions must be on the FAIR Plan Homeowner application forms and fully completed. The application is located on our website at <http://www.kyfairplan.org>. The full installment premium (Rule 29) must be submitted with the application.

2. No Binding Authority and Deemer Provision

The FAIR Plan has a Deemer Provision which states that eligible risks on original applications for approved lines and coverages written by the Plan are automatically deemed insured after 20 calendar days from the date the application and the required initial installment premium payment is received at the FAIR Plan for a period of 30 days if through no fault of the applicant coverage has not been provided or declined.

3. Commission

Producer compensation of five (5) percent will be paid for policies on which full payment has been received. No compensation is payable on the Kentucky Premium Surcharge. If a policy is cancelled prior to the expiration date, the unearned commission will be due to the FAIR Plan.

4. Renewals

Renewal billings will be mailed directly to the insured forty-five (45) days in advance of renewal date with a copy made available for the producer. The company must receive payment by renewal date or coverage will expire.

5. New Business

Kentucky FAIR Plan Reinsurance Association

Homeowner Manual

- c. Select a **Key Rate** from the Key Rate Table (Consider the Territory, Protection Class and Construction) from Rule 42.
- d. Select a **Key Factor** based on the desired amount of building coverage from Rule 42. (See the Interpolation Example below for coverage amounts not included in the key factor table.)
- e. Select a **Deductible Factor** from Rule 36.
- f. Select the **Protective Device Discount**, if applicable from Rule 39.
- g. Multiply the **Key Rate** times, (X) the **Key Factor** times, (X) the **Deductible Factor** times (X) the **Protective Device Discount**. (Round to the nearest whole dollar at each step).

**Interpolation Example*

When the desired limit of liability is less than the limit shown, interpolate the Key Factors using the nearest limit above and below the desired limit, for example:

\$115,000 desired limit; the nearest limits are \$110,000 and \$120,000.

Figure the difference between the two Key Factors and divide by 10. This provides a factor per \$1,000.

Multiply the factor per \$1,000 times 5, and add to the Key Factor for \$110,000.

- (c) **Mine Subsidence:** (See Rule 38, if applicable) Premium is based on the amount of coverage. Maximum total insured value is \$300,000. Add the Mine Subsidence premium to the Adjusted Base Premium.
- (d) **Woodstove Surcharge:** (See Rule 31). Add the surcharge to the Adjusted Base Premium.

27. Total Annual Premium

The **Total Annual Premium** is determined by adding the following, if applicable, to the **Premium Prior to Surcharge**:

Kentucky FAIR Plan Reinsurance Association

38. Coal Mine Subsidence Coverage

Coverage for loss caused by Coal Mine Subsidence must be provided on real property risks in “qualified locations”, unless waived by the insured. Refer to the website for the **Mine Subsidence Waiver Form**. The following counties are eligible to become “**qualified locations**”. Coverage for Coal Mine Subsidence shall **not** be provided in eligible locations, which have not “qualified”. Qualification refers to certification by the fiscal courts that the availability of Mine Subsidence Insurance has been approved in a particular eligible county. The following applies to Coverages A & B. When Coal Mine Subsidence Coverage is written for all structures insured under the policy, Endorsement form HO 23 84 will be attached. The maximum limit of liability reinsured by the Kentucky Coal Mine Subsidence Fund is \$300,000. See note (2) below regarding maximum limits. The coverage includes \$25,000 additional living expense coverage for the owner of a residence who has been temporarily displaced as a result of mine subsidence. The amount is in addition to the \$300,000 for the structure.

The coverage amounts may not be increased.

41. HO 00 06 Coverage A Dwelling Basic and Increased Limits

A. Basic Limits

The policy automatically provides a basic Coverage A limit of \$5,000 on a named perils basis.

B. Increased Limits

The basic limit may be increased. The premium is developed based on the additional limit of insurance. For each \$1,000 of insurance, multiply the HO 00 06 Key Rate by the each additional \$1,000 factor of .026.

4. Protective Device (if applicable): Base Premium x prot. dev. factor and round to the nearest \$1.00.

Premium Prior to Surcharge: (added to the Adjusted Base Premium)

2. Earthquake: Determine the earthquake zone, construction, value range and earthquake deductible to obtain the earthquake premium.
3. Mine Subsidence (if applicable): Premium is based on the amount of coverage. Maximum total insured value is \$300,000. (See Rule 8 for maximum coverage limits.) \$25,000 additional living expense is also included in addition to the coverage for the structure.

Kentucky Premium Surcharge: Premium Prior to Surcharge x 1.8%. (Do not round.)
