

Kentucky FAIR Plan

12/1/2019

Dear Member Company,

Re: Disbursement

The Kentucky FAIR Plan Reinsurance Association is closing the years 1989 through 1999 to allow for a return of equity to its members as approved by its Governing Committee June 6, 2019 and pursuant to its Articles of Association, authorized by the Kentucky Department of Insurance.

Each year's results are reflected on the enclosed disbursement worksheet. Kentucky FAIR Plan members' factors are based on a percentage allocation of individual company premiums related to the aggregate direct writings of all property insurance carriers within the state of Kentucky. The percentage of participation is based on data as reported yearly in company Annual Statements to the Kentucky Department of Insurance.

Upon closing the years stated above, records indicate the enclosed carrier owes the Kentucky FAIR Plan a balance but at this time the Plan is not pursuing outstanding funds.

As a reminder, the Kentucky FAIR Plan Reinsurance Association posts members results annually. The disbursement is documented on the website with supporting documentation and frequently asked questions (FAQs) at www.kyfairplan.com.

Sincerely,

Kentucky FAIR Plan Reinsurance Association
