Kentucky FAIR Plan Reinsurance Association

The mission of the Kentucky FAIR Plan Reinsurance Association is to provide basic Dwelling Fire and Extended Coverage, Commercial Fire, Farm Fire and Homeowners insurance to property owners in the Commonwealth in accordance with the [Articles of Association](#). Any person, firm or corporation desiring insurance coverage who is unable to obtain such coverage directly from an Insurer may apply to the Association through a Producer licensed to do business in Kentucky.

The Kentucky FAIR Plan was originally formulated as a residual market mechanism pursuant to Kentucky Insurance Department Regulation I-F& C-43 Adopted August 12, 1968. The Plan has been continuously in effect since 1968 and has been subject to the provisions of KRS Chapter 304, Subtitle 35 since 1972.

All applications are subject to prior underwriting approval and coverage is not effective until the application is approved by the Underwriter.

Producers do not have binding authority.

Answer the three questions within the popup and click 'Submit'. The responses are routed to the Underwriting Department for review. **Underwriting may request additional information and supporting documentation.**

Renewal Questionnaire

Renewal Questionnaire

It is the purpose of the Kentucky FAIR Plan Reinsurance Association to make basic property insurance available to responsible Kentucky applicants when the applicants were unable to secure coverage through normal channels. The Kentucky FAIR Plan Reinsurance Association is not to be utilized for competitive purposes. The Plan may request supporting documentation.

Have you attempted to secure coverage for this property in the voluntary market within the past 60 days?

What is the current occupancy of the insured location?

Have there been any updates to the insured location?
