Dwelling Fire Manual

A. General Information

The Kentucky FAIR Plan and Reinsurance Association (FAIR Plan) is composed of all insurance companies authorized to write property and casualty insurance in Kentucky. It is authorized by and operates pursuant to KRS Chapter 304 Subtitle 35 with the approval of the Executive Director of Insurance. It is designed to provide basic property insurance for worthy applicants who are unable to secure coverage in the voluntary market. Every resident producer licensed to write property insurance in Kentucky is authorized to submit applications to the FAIR Plan even though no contractual relationship exists with the producer. This manual provides underwriting guidelines, rules and rates for the producer. The actions of a producer are deemed to be the actions of the applicant and not of the Plan. Insofar as the producer is acting as an agent of any party in connection with this or any other section of the Plan, the producer shall be deemed to be the agent of the applicant and not the agent of the FAIR Plan.

B. Underwriting Guidelines for Denial, Cancellation and Non-Renewal

Denial, cancellation, or non-renewal of any applicant/insured must be authorized by the Underwriting Department. The Underwriting Department shall have authority to deny, cancel, or non-renew any application or policy based on grounds in the reasonable discretion of the Underwriting Department, including, but not limited to, the existence of any one or more of the following conditions:

1. Anticipated owner or occupant incendiaries;
2. At least 65% of the rental units in the building are unoccupied, and the insured has not obtained prior approval from the Underwriting Department of a rehabilitation plan which necessitates a high degree of unoccupancy;
3. Property damage exists and more than 60 days have elapsed as to indicate that the damage will not be promptly repaired;
4. Following a loss, permanent repairs following satisfactory adjustment of loss have not commenced within 60 days;
5. Property has been apparently abandoned or there has been removal of undamaged salvageable items from the building and the insured can give no reasonable explanation for such removal;
6. Utilities such as electric, gas, or water services have been disconnected and, if for non-payment of service bills, the insured has failed to pay his account for such services within 60 days, or real estate taxes have not been paid for a two-year period after the taxes have become delinquent (real estate taxes shall not be deemed to be delinquent for this purpose even if they are due and constitute a lien, so long as a grace period remains under local law during which such taxes may be paid without penalty);
7. Conviction or unresolved indictment of a named insured or loss payee, or any other person having a financial interest in the property, of the crime of arson or crime involving a purpose to defraud an insurance company;

8. Where the building or the named insured has been subject to two or more fires, each loss amounting to at least \$500 or one percent of the insurance in force, whichever is greater, in any 12-month period; or three (3) such fires in any 24-month period, at the discretion of the underwriter.
9. Material misrepresentation
10. Non-payment of additional initial or increased hazard premium; or
11. Failure of the insured or his/her agent to timely furnish when due additional primary or supplemental underwriting information requested by the facility.
12. Other conditions proposed by the Underwriting Department and adopted by resolution by the Underwriting Committee as established herein.
13. After a policy has been in effect for more than 60 days, there shall be no cancellation or refusal to renew the policy without a 30-day written notice to the insured, except that a written notice of not less than five days before the effective date of cancellation or non-renewal may be used if one or more of the specific conditions set out in Section B(1-12) above.
14. Each notice of cancellation or non-renewal shall contain a statement of the reason therefore. It shall be sent to the insured at the last known address with copies sent to the mortgagee, if any, and the insured's Producer.
15. Any denial, cancellation, or non-renewal notice to the insured shall be accompanied by a statement that the insured has a right of appeal.
16. The Underwriting Department shall reinstate, without lapse in coverage or additional charge, any policy cancelled solely because of non-payment of additional initial or increased hazard premium, if and when full and complete payment of all premiums due are received before the termination date contained in the notice of denial, cancellation or non-renewal. Such reinstatement of coverage is conditioned upon any check tendered for premium payment being honored when presented for payment.
17. Non-payment of any renewal premium shall result in lapse of the policy as of the renewal date and only a notice of such lapse shall be sent to the insured within 15 days following the lapse in coverage.
18. No coverage will be effective if the financial institution dishonors the insured's premium remittance, which accompanies the application.

C. **General Rules**

1. **Applications**

All submissions to the FAIR Plan must be on FAIR Plan approved application forms and completed in full detail. The application is available on our website at <http://www.kyfairplan.org>. The application must be signed by both producer and applicant and accompanied by photographs of the front and rear of the dwelling. The full installment premium (Rule 31) must be submitted with the application.

Kentucky FAIR Plan Reinsurance Association

Dwelling Fire Manual

2. **No Binding Authority and Deemer Provision**

Coverage cannot be bound by the producer and will be bound by the FAIR Plan only when the application has been accepted by the Underwriting Department. The FAIR Plan has a Deemer Provision which states that eligible risks on original applications for approved lines and coverages written by the Plan are automatically deemed insured after 20 calendar days from the date the application and the required initial installment premium payment is received at the FAIR Plan for a period of 30 days if through no fault of the applicant coverage has not been provided or declined.

3. **Commission**

Producer compensation of five (5) percent will be paid for policies on which full payment has been received. No compensation is payable on the Kentucky Premium Surcharge. If a policy is cancelled prior to the expiration date, the unearned commission will be due to the FAIR Plan.

4. **Renewals**

The Underwriting Department may request documentation supporting eligibility with the Plan. Renewal billings will be mailed directly to the insured forty-five (45) days in advance of renewal date with a copy made available for the producer. The company must receive payment by renewal date or coverage will expire.

5. **New Business**

New policies will be mailed directly to the insured with a copy made available for the producer.

6. **Claims procedures**

Claims may be submitted by email from the website or via mail/facsimile. The Loss Notice located on the Kentucky FAIR Plan website at www.kvfairplan.org may be completed and emailed from the website.

7. **Minimum Written Premium and Minimum Retained Premium**

A minimum written annual premium of \$100 plus Kentucky surcharge and installment fee if applicable shall be charged for each policy. A minimum retained premium of \$100 plus Kentucky surcharge and installment fee if applicable shall be deemed fully earned when any period of coverage is provided under the Deemer provision or by the issuance of a binder or policy. If the risk is rejected during the first 20 days following receipt of the application, the entire initial premium shall be returned.

8. **Changes, Cancellation or Reduction of Coverage**

Requested policy changes and endorsement requests must be submitted to the FAIR Plan for approval. The **producer does not have binding authority** to increase or bind any additional coverage or increase the amount of insurance until the request is received and approved by the Underwriting Department. The change notice or

Kentucky FAIR Plan Reinsurance Association

Dwelling Fire Manual

the policy change form located on the FAIR Plan website may be used to request changes.

If insurance is increased, cancelled or reduced, the additional or return premium shall be computed on a pro-rata basis.

9. Maximum Coverage Limits

The coverage limits written by the FAIR Plan may not exceed the valuation determined in Rule 9 below subject to the following maximums:

- a. Building Coverage: \$200,000 Maximum
- b. Other Structures: 10% of Building Coverage (Note 1)
- c. Contents Coverage: 40% of Building Coverage (Note 2)

Note 1: The policy includes 10% Other Structures coverage within the policy limits. If specific additional coverage is needed, an amount not exceeding 10% of the building coverage may be written. Photos are required of other structures.

Note 2: Contents coverage is not automatic and must be specifically requested on the application.

10. Determination of Maximum Coverage Limits

The maximum coverage limits are included in Section 9, above and, as part of the Plan's charge to provide basic coverage, are further limited below:

- Coverage may not exceed the valuation determined by the valuation procedure included in A, below; unless,
 - Proof is submitted supporting one or more of the exceptions included under B, below; however,
 - The amount of coverage written is subject to the discretion of the Underwriting Department after consideration of information provided with the application or from an outside inspection or reporting sources.
- A. Base cost per square foot valuation procedure:
- i. Select the type of dwelling by the number of stories.
 - ii. Calculate ground floor area by measuring ground floor only. The dimensions of porches and garages are not included.
 - iii. Determine the predominate construction material, i.e., frame or masonry.
 - iv. Multiply ground floor square footage times the base construction cost shown below. The amount to be insured may not exceed this limitation except as provided in B. below. (F = frame, M = masonry)

16. Reinstatement with Lapse In Coverage

17. Non-Sufficient Funds Service Charge

This rule is not used.

18. Premium Computation

A. Adjusted Base Premium

The adjusted base premium is determined as follows. (All steps are rounded to the nearest dollar). See Dwelling Fire Rating Worksheet at Appendix A.

a. Fire Premium

i. Building

1. Select the Territory, Protection Class, Number of Families, Construction, and Occupancy.

Kentucky FAIR Plan Reinsurance Association

Dwelling Fire Manual

2. Multiply the Fire Building Key Rate times (X) the Fire Building Key Factor.* (See the Interpolation Example below for coverage amounts not included in the key factor table.)
3. If an Optional Deductible is selected, multiply the Deductible Factor times (X) the result obtained in 2 above and this becomes the Fire Building Adjusted Base Premium.
4. Mobile Home Risks - multiply **\$8.89** times the amount of Building Coverage per \$1,000 and add to the Fire Building Adjusted Base Premium.

ii. Contents

1. Select the Territory, Protection Class, Number of Families, Construction, and Occupancy.
2. Multiply the Fire Contents Key Rate times (X) the Fire Contents Key Factor.
3. If an Optional Deductible is selected, multiply the Deductible Factor times (X) the result obtained in 2 above and this becomes the Fire Contents Adjusted Base Premium.
4. Mobile Home Risks -multiply **\$8.89** times the amount of Contents Coverage per \$1,000 and add to the Fire Contents Adjusted Base Premium.

b. Extended Coverage Premium

i. Building

1. Select the Territory, Policy Form, and Seasonal or Non-Seasonal.
2. Multiply the Extended Coverage Building Key Rate times (X) the Extended Coverage Building Key Factor.* (See the Interpolation Example below for coverage amounts not included in the key factor table.)
3. If an Optional Deductible is selected, multiply the Deductible Factor times (X) the result obtained in 1 above and this becomes the EC Building Adjusted Base Premium.

ii. Contents

1. Select the Territory, Policy Form, and Seasonal or Non-Seasonal.
2. Multiply the Extended Coverage Contents Key Rate times (X) the Extended Coverage Contents Key Factor.
3. If an Optional Deductible is selected, multiply the Deductible Factor times (X) the result obtained in 1 above and this becomes the EC Contents Adjusted Base Premium.

Kentucky FAIR Plan Reinsurance Association

Dwelling Fire Manual

c. Vandalism and Malicious Mischief Premium (DP 00 01 Only)

i. Building

1. Determine the Occupancy of the building and Seasonal or Non-Seasonal.
2. Multiply the V&MM Rate times (X) the amount of Building Coverage/per \$1,000.
3. If an Optional Deductible is selected, multiply the Deductible Factor times (X) the result obtained in 2 above and this becomes the V&MM Building Adjusted Base Premium.

ii. Contents

1. Determine the Occupancy of the building and Seasonal or Non-Seasonal.
2. Multiply the V&MM Rate times (X) the amount of Contents Coverage/per \$1,000.
3. If an Optional Deductible is selected, multiply the Deductible Factor times (X) the result obtained in 2 above and this becomes the V&MM Contents Adjusted Base Premium.

***Interpolation Example (\$115,000 desired limit of coverage)**

When the desired limit of liability is less than the limit shown, interpolate the Key Factors using the nearest limit above and below the desired limit, for example: (\$115,000 desired limit) the nearest limits are \$110,000 and \$120,000.

Figure the difference between the two Key Factors and divide by 10. This provides a factor per \$1,000.

Multiply the factor per \$1,000 times 5, and add to the Key Factor for \$110,000.

B. Premium Prior to Surcharge

The premium prior to surcharge is determined by adding or subtracting the following to/from the adjusted base premium determined in A. above. (Please refer to the Rule for each item for premium computation.)

- a. Protective Devices credit (-) (See Rule 30)
- b. Other Structures premium (+) (See Rule 25)
- c. Earthquake (+) (See Rule 28)
- d. Mine Subsidence (+) (See Rule 29)
- e. Wood burning or coal stove surcharge (+) (See Rule 20)
- f. Conditions charges (+) (See Rule 19)

Kentucky FAIR Plan Reinsurance Association

Dwelling Fire Manual

C. Total Annual Premium

The total annual premium is determined by adding the following to the Premium Prior to Surcharge determined in B. above.

Kentucky Premium Surcharge (Do not round). Multiply the Premium Prior to Surcharge times (X) the Kentucky Premium Surcharge.

D. Waiver of Premium

When a policy is endorsed subsequent to the inception date, any additional or return premium of \$3.99 or less may be waived however the waived premium will be returned if requested by the policyholder.

A. Amount of Charge

1. Conditions 1–5: \$1.90 per \$1,000 of coverage
2. Condition 6: \$9.50 per \$1,000 of coverage

Charges are added to the Adjusted Base Premium and are rounded to the nearest dollar.

B. Deficiencies

1. unsafe arrangement of heating equipment, including chimneys, stovepipes and gas vents;
2. unsafe or inadequate electrical wiring or fuse boxes, including non-standard extensions or use of non-U.L. approved equipment;
3. conversion or sub-division of original living space into multiple units with over-crowded occupancy, inadequate sanitary facilities, or unsafe arrangements of cooking equipment;

Kentucky FAIR Plan Reinsurance Association

Dwelling Fire Manual

21. Deductibles

The base deductible is \$500. A \$2,500 deductible will be required on dwellings with prior fire losses or multiple claims. Optional deductibles may be written by multiplying the base premium by the following factors:

Optional Deductibles	\$250	\$1,000	\$2,500
Fire	1.05	.98	.91
Extended Coverage and V&MM	1.33	.80	.67

The selected factor is used in determining the base premium. See Rule 18.

22. Vandalism & Malicious Mischief (DP 00 01 Only, V&MM is Incl. in DP 00 02)

Premium per \$1,000 of coverage:

Non Seasonal & Not Vacant	Seasonal, Not Vacant	Vacant &/or Unoccupied
\$0.23	\$1.07	\$15.11

23. Mobile Homes or Trailer Homes

- ii. Under Form **DP 00 02**, this limit is additional insurance. The blanket limit may not be increased.

B. Additional Other Structures Coverage

If Additional Other Structures Coverage is desired, the premium is calculated as follows:

1. Rates
 - i. Fire .04

Kentucky FAIR Plan Reinsurance Association

Dwelling Fire Manual

ii. EC .07

2. Premium Computation

i. Fire: Fire Building Key Rate X **.04** = Other Structures Key Rate (round to nearest \$1.00) X amount of Additional Other Structures Coverage/\$1,000 = Base Premium X Deductible Factor, if applicable = Other Structures Fire Premium. (round to nearest \$1.00)

ii. EC: EC Building Key Rate X **.07** = Other Structures Key Rate (round to nearest \$1.00) X amount of Additional Other Structures Coverage/\$1,000 = Base Premium X Deductible Factor, if applicable = Other Structures EC Premium. (round to nearest \$1.00)

iii. V&MM: Multiply the V&MM factor X the amount of Coverage/\$1,000 = Base Premium X Deductible Factor, if applicable = Other Structures V&MM Premium. (round to nearest \$1.00)
