Any member whose membership in the Plan has been terminated shall continue to be governed by the rules and regulations in order to complete its obligation with regard to any assessments, losses, expenses, obligations or contracts under the Plan.

ADMINISTRATION OF PLAN

The Plan shall be administered by a Governing Committee composed of not less than three (3) or more than eleven (11) persons appointed by the Commissioner of the Department of Insurance to serve at the pleasure of the Commissioner. The Governing Committee shall adopt such rules and regulations as are reasonable and necessary for the operation of the Plan and for an equitable system of assessing member participants to finance the operation of the Plan and provide payment of all benefits or other liabilities incurred under the Plan.

The Governing Committee shall be subject to regulation by the Commissioner of the Department of Insurance and shall make an annual report to the Commissioner and to the participating members of the Plan as to the condition and operation of the Plan during the preceding calendar year.

The Governing Committee may, from time to time, amend the rules and regulations. Subject to the approval by the Commissioner of the Department of Insurance, the Governing Committee may amend the Plan.

ASSIGNED CLAIMS PLAN

The Assigned Claims Plan authorized by this Plan shall operate under the direction and control of the Governing Committee. It shall receive reports of all potential claims under the Plan, from persons claiming an entitlement to benefits therefrom pursuant to KRS Chapter 304, Subtitle 39, and shall promptly make assignment of such claims for handling to servicing insurers. The Assigned Claims Plan shall have obligations and duties, including, but not limited to, the following:

- (a) The Plan shall be open during normal business hours to receive and process applications.
- (b) The Plan shall review each application for eligibility and promptly advise the person if it is clear that the person is not eligible for benefits under the Plan.
